- Personal account representative
- Highly trained processing staff
- Consistent tissue provision
- Reliable distribution

Eversight vision partner

"I have had the privilege of working with Eversight since 2003, and their commitment to quality of care and support for donor families, the surgeon and patients is unparalleled. I know when I use Eversight services, my patients are in the best of hands."

Shahzad I. Mian, MD
University of Michigan Kellogg Eye Center
